

tús geal

DEAR PARENT,

Our school has teamed up an Irish company which is working with us to recycle used clothes.

The school will benefit significantly by sharing in the value of this material.

Tus Geal has agreed to pay our school per tonne of material collected.

This is a great opportunity for us to fundraise and also do our bit for the environment.

We will have a collection point in the school where Tús Geal will collect from.

As you have clothes that you no longer require please give them to your child or deliver them to the school.

Information on what is acceptable and information on the company organising the scheme is on the reverse.
